South Carolina Academy of Science Meets Here Saturday MOONLIGHT PARADE HERE, APRIL 27TH

Dr. Sikes to Address S.C. Science Men

Brackett to Open Chemical Session With Talk on Lawrence Smith

CADETS INVITED

On Saturday, April 21, the South Carolina Academy of Science will hold its eleventh annual meeting in joint session with the South Carolina Section of the American Chemical Society in the lecture room of the Chemistry Building, here at Clemson.

The morning session will begin at 10 o'clock at which time Dr. Sikes will give the address of welcome, with a response by Prof. C. A. Haskew, Dean of Lander College.

Following this, Dr. Dudley Jones, the retiring president, will give an address, "The Limitations of Psychology". Among the other talks of the morning, Dr. Calhoun, (Continued on page eight)

ROTARY CLUBS MEET WITH BLUE KEY FRAT

Robinson, Chipley Speak; Burton, Shores Demonstrate Photo Electric Cell

200 ATTEND BANQUET

Members of the Rotary Clubs and Rotary Anns from the neighboring cities of Anderson, Seneca, Walhalla, Westminster, and Greenville met with the local chapter of Blue Key at an enjoyable banquet given Tuesday night in the college mess hall.

After the invocation had been pronounced, Pete Collins, prominent Rotarian of the Piedmont section, led the assemblage of well over 200 in the mass singing of "America".

JUNIORS PLAN FOR DANCE

Plans are under way for the annual Junior-Senior, which is scheduled for the night of May 11.

At a recent class meeting the third year men voted in favor of securing the Jungaleers, Clemson's own orchestra, for the yearly affair.

Committees on decorations, invitations, and executive details are functioning in an excellent manner; indications point toward an enjoyable affair.

GLAMOUR OF ANCIENT ATHENS REVIVED AT LARGE ANNUAL BALL

Gladiators and Maidens Sway to the Tunes of Bert Lown

HUGE CROWD

Amid an atmosphere of architectural splendor, the "glory that was Greece" predominated the Athenian Ball sponsored Friday night by the 1934 TAPS staff.

From the stately columns of the central shrine, Bert Lown drifted the dancers back to antiquity with his famous Hotel Biltmore orchestra.

The ball was widely heralded, and visitors from all over the South joined the cadets in the largest dance of the year.

Many wore costumes carrying out the ancient Grecian theme from the flowing garments of the noble to the brazen war gear of the conqueror.

High lights were presented by Bert Lown in Miss Gloria Faye, (Continued on page seven)

Junior Leaders Chosen for Camp

Woodward to Represent Clemson in Matters of Non-Military Nature

At a meeting of the Junior Class in chapel Tuesday morning, leaders were selected for the various activities to be held at the summer R O T C Camp at Fort McClellan, Alabama.

J. H. Woodward is to be the rising seniors' student representative in all matters not strictly military. S. R. Spann was chosen to be field meet captain, and C. P. Gordon will head the third year rifle men.

For the position of swimming team captain, A. W. Allison was the choice of the class; W. M. (Continued on page two)

New Colonel Will Review Cadet Corps

Honorary Regimental Commander to Watch Passing Lines From Hill

TO BE FULL DRESS

When Old Man Moon casts his lunar rays earthward at 8 o'clock on the night of April 27th, he will find stretched beneath him on the Clemson campus a regiment of cadets in full-dress attire swinging along in the initial moonlight parade of Clemson and probably the first of the nation.

(Continued on page seven)

Dance Decorator

A master designer in every sense of the word is Bill Lyles, senior architect, pictured above.

Lyles has been largely responsible for the great improvement of dance decorations shown during the past year.

He is an executive lieutenant, a former president of the Minaret Club, and a member of Blue Key.

SUMMER SCHOOL HERE JUNE 11 TO JULY 21; WASHINGTON IS DEAN

Many Courses to be Offered to Both Teachers and Students

W. H. Washington, Registrar of the college, has just announced that the Clemson Summer School will open on June 11 and continue through July 21.

It is also possible that courses may be organized for the last half of the summer, if there are sufficient demands.

The purpose of the summer school is to offer college courses for teachers in Anderson, Oconee, and Pickens counties and such others as may be interested.

Provision is being made to offer college courses for regular students where there is sufficient demand.

Already courses are planned in English, Chemistry, Education, Sociology, Physics, Shop Work, and (Continued on page seven)

Annual Sends "Thanks" Letter

Taps Staff Writes Missive of Appreciation for Aid Given It

The following is an open letter written by the TAPS Staff and the Central Dance Association to express their appreciation to the numerous people who aided in making the recent TAPS Ball the biggest and most successful dance of the season thus far:

We wish to take this opportunity to acknowledge the services rendered us in the difficult task of producing the TAPS Ball. This aid was greatly appreciated.

We extend our most sincere expressions of gratitude to:

The ladies of the campus for placing at our disposal their houses in which to place the numerous guests. They made the dance possible.

Million Dollars a Month Paid to 70,000 Undergrads by F.E.R.A.

One out of every 10 students in 1,207 colleges and universities in this country, or a total of 70,276 will be enabled to go to school through help of the Federal Government if the authorized student-aid program of the Federal Emergency Relief Administration is carried out.

Preliminary reports reaching the FERA show that a program of lasting benefit to worthy young men and women now is being administered by the cooperating in-

stitutions at a cost to the Federal Government of \$1,017,621 a month.

Jobs for Students

Under the plan developed by the FERA, Federal funds are allocated on the basis of enrollment to each college desiring to cooperate. This money is used by the school to finance projects giving \$15-a-month jobs to worthy students.

In addition to the requirement that the students aided shall be selected from among those finan- (Continued on page two)

Lynn Sprints Dash Record Into Oblivion

Tiger Speedster Runs 100 in 9.6 as Bengals Smash P. C.

LIPSCOMB STARS

Led by Gordon Lynn and Jimmie Lipscomb, each of whom copped two firsts, Tigertown's Purple and Gold tracksters sprinted, hurdled, jumped and vaulted their way to ten first places and victory over P. C. in a thrilling track meet on Riggs Field Saturday.

With a slight wind at his back, Lynn stepped the century in 9.6 seconds and traversed the furlong in 21.2.

In the mile run, a trio of Clemsonites took all three places; Watson, Yarborough and Scott finished in the order named.

Lipscomb soared 11 feet, 8 inches for a first in the pole vault, tied McMahon for first in the high jump, and took second in the broad jump. McConnell, Clemson weight man, (Continued on page eight)

TIGER RACQUETMEN DEFEAT BLUE HOSE

Tennis Team Wins Sixth Match to Keep Perfect Record

HORTON SEEDED NO. 1

With a clean sweep of the games in the match with P. C.'s netmen Monday afternoon in Clinton, the Tiger racqueteers chalked up their sixth straight victory of the season.

Horton defeated Gregg 6-1, 3-0, 6-1; Woodward won his from McCutchen 6-0, 4-6, 9-7; Spann took two straight sets from Copeland 6-2, 6-1; Latimer won from Levi 3-6, 6-0, 9-7; and Elliot beat Normant 6-0, 6-3.

In the doubles match, Elliot and Spann were victorious over Cope- (Continued on page seven)

HALLETT FOR FINALS

The C. D. A. announced last night that Mal Hallett and his Orchestra will play for the four final dances this year.

Hallett played for Washington and Lee recently; he also offered the melody for the Little Commencement dances at the University of Georgia not long ago.

He has a Casa Loma combination, using five brasses; Hallett also has two girl singers, Ann Graham and Teddy Grace.

Shoot The Show

BY H. S. ASHMORE

APOLOGY NO. 2

There having been a great furore over the weekend, I find myself without any definite knowledge as to next week's schedule. I know what pictures are coming but I have lost the schedule and I don't know when or why. Anyway here are the reviews and you can figure out the days.

SHE MADE HER BED

Contrary to what you may think this story does not concern a chamber-maid. Indeed no. It's all about how Sally Eilers remains faithful to one man and loves another all the time. It also has a few other bad points. Robert Armstrong looks mean and beats Sally with a horse whip, if that's any consolation. Also Richard Arlen, Grace Bradley, and Roscoe A-A-Ates.

LADY FOR A DAY

This is rather an old picture but a good one. May Robson is the lady for a day. She is splendid as the woman lifted from the gutter by a group of gamblers and touts in order to put on a front for her daughter, who really thinks that May is a lady of wealth and position. A great cast: Warren Williams, Glenda Farrell, Guy Kibbee, Ned Sparks, Jean Parker, Walter Connolly, and Barry Norton.

THREE ON A HONEYMOON

This is a fairly entertaining comedy, if Zazu Pitts doesn't drive you insane. Johnny Mack Brown and Sally Eilers get all married up and take off for Havana with Zazu, as a love sick old maid, trailing along. Supposed to be gay and giddy. Also Henrietta Crosman, Charles Star-

MELODIOUS PROGRAM PRESENTED BY GLEE CLUB OF COLUMBIA

Twenty-three Female Vocalists Offer Entertainment in College Chapel

Sponsored by the Woman's Missionary Society and the Epworth League, the Columbia College Glee Club, composed of 23 young ladies, presented a delightful program in the college chapel last Thursday night. The program consisted of both classical and popular music.

This is the first girls' glee club ever to be presented at Clemson. After the program the feminine singers attended an informal reception at the YMCA.

CONGRATULATIONS

The Corps of Cadets and the members of the Faculty take this opportunity to congratulate Coach and Mrs. Joe Davis on the recent birth of a baby girl.

rett, and Irene Hervey.

CARLIE CHAN'S GREATEST CASE

If you like these Charlie Chan things don't miss this one. It has the most ingenious plot and the best cast of any yet produced. Warner Oland is Charlie of course and Heather Angel plays the feminine lead. There are also numerous featured players around.

PADDY, THE NEXT BEST THING

Janet Gaynor. Need I say more?

Coach Joe

Coach Joe Davis, above, is spending these spring nights in teaching his basketballers a few more points about the court sport.

This is Mentor Davis' third spring basketball session, and so far the practice has been quite successful.

The movie is the most powerful weapon for good or evil in the country, according to Rev. Frederic Siedenburg, executive dean of the University of Detroit.

WORK OF F. E. R. A.

(Continued from page one)

cially unable to stay in school if it were not for the \$15-a-month jobs, most of the institutions are asking those who are helped to maintain high scholastic ratings. Presidents of the institutions concerned are directing the student-aid program.

MEMORANDUM: Inspection.

The following schedule is announced for April 25th and 26th, subject to the approval of the Corps Area Inspector:

Wednesday, April 25, 1934

- 6:45 A. M.—Practical—Physical drill, small parade.
- 8:00 A. M.—Theory—Field Fortification (1st year advanced)
- Theory—Scouting and patrolling (2nd year basic)
- 9:00 A. M.—Theory—Combat training. Combat principles, rifle platoon, machine gun platoon and Howitzer Co. Squad in attack, defense and security (1st year Adv.)
- Theory—Tanks and mechanization (2nd year Adv.)
- Theory—Military history and policy (2nd year Adv.)
- 10:00 A. M.—Theory—Combat Training. Marches, security, development for combat. Defensive combat and organization of the ground. (1st year advanced)
- Theory—Estimate of the situation, combat orders. (1st year advanced)
- Practical—Leadership. (1st year basic)
- Practical—Characterization of infantry weapons. (2nd year basic)
- Theory—Military law. (2nd year advanced)
- Theory—O. R. C. regulations. (2nd year advanced)
- 11:00 A. M.—Theory—Citizenship, national defense Act, etc. (1st year basic)
- Theory—Combat training. Combat principles of the rifle and machine gun company in attack. Defense and security. (2nd year advanced)
- Practical—Machine guns. (1st year advanced)
- Practical rifle. (2nd year basic)
- 12:00 noon—Parade
- 1:00 P. M.—Lunch
- 2:00 P. M.—Review and field inspection
- 3:00-5:00 P. M.—Practical—Drill and command

Thursday, April 26, 1934

- 8:00 A. M.—Practical—Aerial photographs. (1st year Adv.)
- Theory—Musketry. (2nd year basic)
- 9:00 A. M.—Practical—Map reading. (1st year basic)
- Theory—Military history. (2nd year basic)
- Theory—Combat intelligence. (2nd year advanced)
- Theory—Combat intelligence. (2nd year advanced)
- 10:00 A. M.—Practical—Leadership drill, Sophomore platoon. (2nd year basic)
- 11:00 A. M.—Practical—Sanitation and 1st aid (1st year basic)
- Theory—Leadership (Drill). (2nd year advanced)
- Theory—Anti-aircraft defense. (2nd year advanced)
- 12:00 noon—Practical—Leadership-war strength company in attack (problem).

By order of the P. M. S. & T.

JOS. H. HINWOOD,
Captain, Infantry,
Adjutant.

These humble quatrains are composed
To tell a sprightly tale
Of how a witty junior nosed
A senior with a frail.

The tale, ye hearties, goes like this:
It seems two lads were nuts
About a certain little miss
Whose name, we'll say, was Lutz.

The junior's Christian name was Tom;
The senior's name was Bert.
They both considered for the prom
The same blond, blue-eyed skirt.

Now Bert had honors, letters; he
Was quite the well-known lad.
While two-bucks-ten and faith-in-me
Were all that Tommy had.

When blond Miss Lutz declined to go
With Bert, he wondered why.
That Tommy should get all the show
Was quite a blackened eye.

He learned the night the prom was thrown
Why he had lost the date.
For Tom had made the timely loan
Of someone's Ford V-8!

CLEMSON RIFLE TEAM DEFEATS CITADEL, P.C. IN FIVE-MAN AFFAIR

Blue Hose Win Over Locals, However, in Ten Man Encounter

22 CALIBER USED

A shoulder-to-shoulder rifle match was held on the .22 caliber Clemson outdoor range last Thursday between teams of The Citadel, Presbyterian College, and Clemson.

Weather conditions were far from ideal; the cold wind especially in the off-hand position, seriously handicapped the competitors and resulted in low scores.

In the five man team match between the three schools, the Tiger rifleleers carried off top honors with a 797 score. P. C. was second with 788, and Citadel scored 730 points for third.

Citadel did not enter a 10-man team and this match was fought out between P. C. and Clemson. The Blue Hose took this by a 13 point margin, defeating the local team 1571 to 1558.

Stone of Clemson and Upshur of P. C. tied for high score in the meet, each having a total of 175 out of a possible 200 points.

Speedster

A terrific fall on sharp cinders is a mere nothing to Earl Robinson, above.

After receiving a number of body cuts from a tumble early in the 440 yard dash in the track meet with P. C. last Saturday, Robbie came back to burn up the cinders when he sped around the oval with the baton in the mile relay event.

J. W. JONES SELECTED AS REPRESENTATIVE FOR SCHOOL CONTEST

Ag. Freshman to Uphold College Honor in Scholarship Try-Outs

With consideration as to scholarship, leadership, and ability, J. W. Jones has been selected from the Agricultural freshman class to represent Clemson in a contest to decide a scholarship to the American Leadership Training School, which is to be held at Lake Michigan this summer.

Candidates from 29 other Ag. schools of the country will compete, and the winning candidate will receive this course at the Training School with expenses paid.

MANY MOURN PASSING OF DR. CHAS. FURMAN; WAS REMARKABLE MAN

Former Head of Clemson English Department is Dead, at 94

HAD KEEN MIND

Thousands of Clemson men throughout the United States are grieved at the passing of Dr. Chas. Manning Furman at the age of 94, after a brief illness.

"Daddy" Furman, as he was affectionately known, was the head of the English Department at Clemson from the founding of the college until 1912, when he was made "Professor Emeritus of English".

He was a graduate of Furman University, of which his grandfather was the founder and his father the first president. He was a captain in the Confederate Army, professor of mathematics in Bethel College, Kentucky, a lawyer, and assistant district attorney under Le Roy F. Youmans.

Professor Furman had a remarkably keen mind and retentive memory. He seemed never to forget anything that he read, and he read widely, not only in English literature, but in any branches of learning; and though his mind was steeped in literature, ancient and modern, he always took keen interest in current affairs. He was of a retiring nature, but he lived an abundantly rich and placid life.

Don't put anything on your face that you wouldn't put in your stomach.— Dr. Marie de Gollere Davenport, 109-year-old doctor.

Former Bengal Athlete Defeats Grim Reaper in Air Encounter

How Lieutenant W. A. Coln, Jr., former Tiger athlete from Chester, S. C., escaped death in the clouds while flying a government mail plane is told in the following story carried by a recent copy of the Ottumwa (Iowa) Daily Courier: "Lieutenant Coln is back in Chicago and alive today, because through a combination of luck and flying sense, he won a life and death battle with an Iowa fog that sought to make him the 11th victim of the army's first 19 days of flying the mail.

"The flyer was uninjured, and the plane was not damaged when the pilot made a hazardous emergency landing in Central addition, near the Des Moines river. The ship loaded with United States mail had run out of gasoline.

"Coln was flying the Chicago-Cheyenne (Wyo.) air route, a distance of nearly 1,000 miles and was headed for Des Moines when fog enveloped the ship near Grinnell. He lost his direction, and after going up 11,000 feet and flying blindly for more than an hour, found himself over Ottumwa with only enough gasoline for three minute sin the air.

"He dropped two landing flares, one of which located the community garden acreage in

Versatile

Versatility is the word that describes Henry Woodward, above. With football and basketball on the shelf until next fall the Blonde Blizzard is wielding a wicked racquet on Tigertown's tennis courts.

Woodward is No. 2 player on Clemson's tennis team, which has taken six straight encounters.

"RAT" SYSTEM KILLED

Abolition of the "rat" system at Virginia Military Institute was announced recently by Major-General John A. LeJeune, superintendent, who said the action was taken voluntarily by the cadet corps.

The "rat" system, designed to make the freshmen walk the straight and narrow path, although never officially recognized has been a part of the cadet life at V. M. I. for almost the age of the 95-year-old institution.

(Courtesy, Greenville News)

Central addition. The second furnished him light to land the ship on the snow covered plowed ground.

"While throngs looked on Coln made a successful take-off from a river levee road shortly after noon Sunday, and two hours later was swinging his way back to Chicago. The take-off was made possible after the plane had been pulled by city tractors from the muddy field to the garden's roadway, but not until a grader had bladed the road and three trees had been removed. Wheel covers on the ship were also taken off to decrease weight and to keep mud from binding the wheels.

"The take-off was hazardous As the fast ship sped along the improvised runway, the crowd gasped and expected a crash when one wheel skidded off the edge of the road. 'I felt the wheel go over, so I pulled back on the stick and gave her the gun,' the lieutenant said later after he had landed at the Ottumwa-Legion airport."

On down in the article the following was found: "I always thought I would bail out in a parachute if I ever got into such trouble," he said, "but I changed my mind when it came time to do it."

The paper also carried three large pictures of Lieut. Coln.

JUNIOR AGRICULTURE STUDENTS PLAN FAIR FOR COMING SESSION

Jimmie Land Elected General Manager; is in Charge of Program

OTHERS HONORED

At a meeting of the Agricultural junior class Monday, it was definitely decided that the Agricultural School would have a Fair next year.

J. E. Land was elected General Manager. C. E. Cummings is to be Chairman of the Exhibits and Decorations Committee.

Chairmen of various other committees are to be: Finance, P. M. Anderson; Publicity, D. T. Pope; Dance, W. M. Thackston; Entertainments, J. L. Cochran; Concessions, J. T. Rivers.

Other plans as to dates and general nature of the Fair will be worked out later.

DR. G. H. COLLINGS WRITES BOOK ON THE USE OF FERTILIZERS

Clemson Professor Publishes 356-Page Volume for Textbook

HAS PH.D. DEGREE

Blackston's Son & Company, of Philadelphia, recently published a Textbook, "Commercial Fertilizers, Their Source and Use", written by Doctor Gilbeart H. Collings, Associate Professor of Agronomy here at Clemson.

This book has been written to supply a definite need for a textbook on commercial fertilizers in the agricultural colleges. It is based upon the author's many years' experience as an experiment station agronomist, and teacher of soil, fertilizer, and crop courses.

Doctor Collings has a B.S. from V. P. I., an M. S. degree from the University of Illinois, and a Ph.D. from Rutgers.

NEELY DIAMONDEERS DROP MEDIOCRE TILT TO SOUTH CAROLINA

Columbians Sock Horsehide in Fourth Frame for Four Runs and Victory

TIGERS "DEAD"

Clemson's diamond men dropped a rather listless affair to Carolina's Gamecocks on the local field last Thursday by the one-sided score of 8 to 1.

For the first few innings the affair was rather close, but in the fourth frame the Columbia nine shoved across four runs; Heap was removed from the mound and Croxton finished the game for the Tigers, but the locals failed to display the necessary punch and Laval's proteges had little trouble in limiting Clemson's scoring to a lone tally late in the contest.

ALMOST HALF CADET CORPS ENGAGED IN NATIONAL PASTIME

Tigers Busy With Playground Ball on Riggs and Bowman Fields

BY FREDDIE KIRCHNER
YMCA Physical Director

With over four hundred cadets playing, intramural playground ball is going over in a big way. E and K Companies are leading the league at present with perfect records; E Company has four victories and K Company has racked up three wins.

Three hundred and fifteen games are scheduled to be played before the completion of the season, and with the entry of fourteen teams and the running off of seven encounters daily this schedule will go to completion.

SCORE SHEETS ARE KEPT

A score sheet of every game played is kept on file in order that a record of the standing of the teams may be checked at any time. A percentage of the games won and lost by each team is posted in the lobby of the YMCA every day. Team managers are urged to check on this list in order to see that the percentages are correct. At the close of the regular schedule the four teams with the highest percentages will be placed in a championship series to determine the winning team.

MANAGERS, OFFICERS MEET

The Team Managers and Athletic Officers at a recent meeting decided to use only the 10.5 inch out-seam playground baseball and to play all official games on the 60 foot baseline diamond.

Playground equipment can be drawn from the Y. Standing of the teams up to April 17 are as follows:-

Team	Percentage
E	1000
K	1000
B	800
C	800
Band	750
H	600
A	500
L	400
F	400
M	250
D	250
G	200
Hdqt.	200
I	000

Baton Lugger

"Robbie" Roberts, above, was one of the quartet instrumental in handing P. C.'s relay outfit its first defeat in six years.

Roberts runs the 880, but proved that he is no slouch on the quartet mile by his Saturday performance.

ROARING FOR:

That Old Tiger Spirit—Among Alumni, Faculty and Students
Adequate Buildings and Necessary Equipment for Clemson College

EDITORIAL

"THERE IS NO MONOTONY EXCEPT IN THE MINDS OF MEN".

In certain American universities there have been made in recent years sweeping changes in methods of teaching and of stimulating student interests in college work. Outstanding in this connection is the University of Chicago, largely because of its young president, Robert M. Hutchins. On being chosen for the presidency of this great institution while still in his thirties, Mr. Hutchins immediately went about setting up a changed system of higher education. He left the first two years of college for general foundation work and so-called "cultural" duties, claiming that two years is entirely sufficient for this purpose, although, heretofore, four years have usually been devoted to it. He then changed the entire method of teaching, abolishing the grading system and required class attendance. He attempted to build student initiative to study and research; his ideal, as he says, was to "inflamm minds," not in the sense of arousing mass emotional responses, but in that of opening to the student mind a vision of man's potentialities, of his possibilities for future progress. He wished to tear loose the college man's brain from its moorings of complacent contentment with things as the immediate past and the present have shown them to us—to open to the student the long story of life, with civilized man merely a flaming-up, an incident, here in the forefront of it;—to show him that there is no monotony except in the minds of men.

The idea is fast coming to the fore that modern times and the changes occurring and impending in it demand a revamping of higher educational methods. This reconstruction is deemed necessary in order to build in college men and women the ability to think through the increasingly complex problems of civilized existence, so as to maintain and accelerate man's progress and to reach out to new heights and new achievements for humanity.

The remarkable thing about Mr. Hutchins and his University is that they seem to be succeeding. Student interest in college work, say closer observers, has increased astoundingly; class attendance, instead of dropping off as might have been expected, has actually become more regular. One significant feature of the plan is the raising of standards; there is to be nothing of the diploma-mill in this enterprise. Mr. Hutchins says that he and the faculty have been trying simply to make of the institution a real university in the true sense of the word; a place for genuine scholarship and research.

No one can gainsay the fact that our educational methods are at best immature. Many prominent educators in America and other countries hold virtually the same ideas as those which this young president has put into practice. And it may be but a matter of a little time until these "radical" changes may be effected in all institutions of higher education.—The Crimson-White.

FOOLISHABLES

THE FOX AND THE GRAPES

Once upon a time there was a foxy young captain named Leverette. While "balling" along with a few of the "big dogs" he decided that a Scabbard and Blade bid was ripening on the vine for him.

"Just one thing to quench my thirst," quoth he.

Drawing back a few paces he took a running snatch for the bid, but he just missed it. "This will never do," exclaimed our fair young captain (who looks so swanky in boots).

Turning around again with a one-two-three-four, he snatched again, but with no greater success. Again and again he tried to add this key to his watch chain collection but finally had to give it up, and limped away with his nose in the air saying, "Oh well, I'm a big enough dog without Scabbard and Blade."

MORAL: It is easy to despise what you cannot get.

THE ASS AND THE LION'S SKIN

An ass once found a lion's skin which hunters had left out in the sun to dry. He put it on and went toward his native village. All fled at his approach, both men and animals, and he was a proud ass that day. In his delight he lifted up his voice and brayed loud and strong, but then everyone knew him and his owner came up and gave him a sound cudgling for the fright he had caused.

MORAL: Fine clothes may disguise, but silly words will disclose a fool.

NOTE: Gloria Faye thought Alex Dickson just too ducky for words until she had the intermission date with him.

THE MODERN WORLD

Science finds out ingenious ways to kill

Strong men and keep alive the weak and ill

That these a sickly progeny may breed,

Too poor to tax, too numerous to feed.

—Prize poem in the London Spectator.

MOTHERS-IN-LAW AND EGO CAUSE DIVORCE

Twenty-Seven Other Items Favor Marital Discord Say Irish

GRADS MAKE LIST

Notre Dame, Ind.—The alumni of Notre Dame listed the following as causes of marital discord and divorce: Impatience, jealousy, temper, difference of opinion, clash of temperament, selfishness, religion, mixed marriage (Catholic and non-Catholic), social activity, bridge, drinking, in-laws, relatives, wife or husband's lack of thrift, difference in interests, misunderstandings, airplanes, mother-in-law living in home, depression, tardiness at meals, illness, outside activities, laziness, mystery stories, ego, floor, stubbornness, the relative merit of St. Mary's, Notre Dame and the Georgetown University, and what happened to the button on husband's shirt.

The names of more than 700 Americans of all sorts of occupations have been added to the Dictionary of American Biography.

TALK OF THE TOWN

AMAZEMENT

Many an interesting story is floating about the school concerning the recent dance, but, alas, most of them are unprintable. The choicest of the printable epics to reach these old ears concerns young Schnozz Fraser. Young Schnozz took a bit of a tour to barracks just a few minutes before intermission in order to attend to his fortification. Feeling no pain, he was wending his way through the woods on his way back to the dance. As he was passing through that large thicket alongside the laundry he saw a slight movement three points off to the larboard.

"What ho", quoth Schnozz in his best party manner.

"What ho" came back a soft feminine answer.

He made his way forward and what should he see but a beautiful young lady, absolutely alone, sitting upon a rock contemplating the rear of barracks with a musing eye. He was amazed, bowled over, and completely dumbfounded. He spoke again, with a quaver in his voice. He even passed his hands in front of his eyes several times. "I say, are you really there? I mean, after all, people don't find young ladies sitting upon rocks by the laundry at midnight. It just does not happen."

"Of course, I'm not really here," replied the lady, "I'm an hallucination. As a matter of fact, I'm a wood nymph."

This was too much for Schnozz. For one thing he didn't know what an hallucination was, and for another, he thought he was going blind. He wept bitter tears. He always knew something like this was bound to happen if he kept on touring to Sandy Springs. Anyway they sat there for the better part of an hour, talking of this and that, at least she was talking and Schnozz was thinking, it can't be, my eyesight is gone. Eventually he delivered her to the dance. And all intermission her date, a certain prominent graduate dairyman (ah that I am I owe to udders) combed the underbrush and dragged the Seneca river for her body.

C. O. D.

Just to put an end to all these rumors that Brenau girls never tell the truth when a lie will do just as well, let us state the case of Mr. Harry Shore. As is well known to one and all, Mr. Shore has been doing considerable dashing about with a member, or do

we mean several members, of the Bradley herd. One night while dating one of the ladies he brought up, among other things, the deplorable fact that there was a lack of curtains in his room. He stated at the time (this statement was later proved to be false, which leads one to think that Mr. Shore was either jesting or lying. You may take your choice) that he was very greatly annoyed by the large number of people who gathered outside his window each night to watch him undress. The lady was very sympathetic, the maternal instinct surging to the top. Ah, she said, I will send you some curtains to conceal your manly beauty from the multitude. Hah, laughed Mr. Shore, tis but an idle joke. The incident passed and was forgotten. But a week or so ago Mr. Shore, received a neat package containing a set of curtains and a card saying, "This does prove that we Brenau girls keep our word, doesn't it?" We wish to be the first to state that it certainly does and that any contributions may be sent to the Talk of The Town, care THE TIGER, and that we think that Winthrop, Converse, Anderson, G. W. C., and Calhoun High School girls keep their word too, and that we could also do with a few suits of underwear.

DANCE

McCrea, Dizzy Day and their cohorts arriving in a two horse wagon, Dizzy looking very much like Ben Hur—that little girl from Columbia still showing dark circles about here eyes from staying awake nights thinking about that Furman S. A. E.—the little girl who wondered how in the world they ever got all the marble columns through the front door; take a bow, Mr. Way—those people who shag in front of the orchestra shine on—a lad berating the fact that nobody came to the ball as Venus—not enough stags and the guys with the one and only from Potss Corners rapidly becoming gray-haired—but think of it, not enough stags at a Clemson dance—Bert Lown and Gloria Faye signing autographs and thinking, oh hell why don't these children go to bed—everybody laughing at the rumor that a moonlight parade would be held for the honorary colonel, and then finding out that there really is to be one—Harry Jones and his camera hanging from the rafters taking pictures and the lovely photo he got of the collapsing drunk—oh nuts.

THE CITADEL

Private

He shined his shoes, his cartridge belt,
And donned his newest tie.
He combed his hair, and brushed his teeth,
And changed his shirt, this guy.

He stood before the mirror, then—
Quietly opened the latch.
He went down to the captain's room,
And shyly bummed a match.

STEVENS TECH

An anti-pun society has been organized by students at the Stevens Institute of Technology to deal with the advocates of the "lowest form of humor".

MEXICO

Such things as pop quizzes and note taking are unknown to the students of the University of Mexico. The only time they are required to meet classes is for the final examination.

Before the examinations the students buy the books, written by the professors, and study them. This method enables the students to work while they obtain their education.

—The Hornet.

MINNESOTA

A student at Minnesota University made a B average for the first two quarters, in spite of the fact that he flunked one course, the name of which was "How to Study".

—Mercer Cluster.

J. C. LITTLEJOHN IS 'Y' CABINET SPEAKER

Holtzendorff Also Speaks to
Group of YMCA Student
Leaders

Mr. J. C. Littlejohn, business manager of Clemson College, was the featured speaker at a recent meeting of the YMCA Cabinet. Mr. Holtzendorff, general secretary of the YMCA, also made a very interesting talk.

Both speakers stressed the importance of beginning life's work with the will and determination to reach the highest and loftiest goals. Wallace Fridy led a very inspirational devotional.

CLEMSON DEPUTATION TEAM GIVES PROGRAM AT FURMAN SERVICES

McConnell, Malone Speak Before
YMCA Group at
Greenville Meeting

On Thursday night, April 12, the Clemson Y Deputation Team gave an inspirational program at Furman University. This program was given to a YMCA group at their regular meeting, including several visitors.

Talks were given by W. B. McConnell and H. B. Malone. The Y quartet also rendered several appropriate selections throughout the program.

RURAL RECREATIONAL STUDY SPONSORED BY EXTENSION SERVICE

W. P. Jackson Instructs Fifty
in Leadership in Recrea-
tion Field

CADETS ATTEND

This past week a rural recreational institute was conducted by W. P. Jackson, Field Secretary of the National Recreational Association, in the Parish house.

This was given under the auspices of the Extension Department and in cooperation with 4-H club leaders, Dan Lewis and Theo Vaughan.

About 50 persons attended the course. Those attending comprised rural leaders from various communities in Anderson, Greenville, Oconee, and Pickens counties along with some cadets.

The purpose of this school was to give training in recreational leadership which is decidedly lacking in rural communities of the state.

According to Dr. W. W. Long, director of the Extension Service, a similar institute is to be given at Camp Long, the permanent 4-H camp near Aiken April 18 to 21 inclusive.

Dr. Sikes is to give an address on the position of Clemson College in developing rural leadership. Dr. Long will speak on the future of rural life in South Carolina. Other Clemson men on the staff are: Dan Lewis, Theo Vaughan, and B. O. Williams.

REV. JOHN LEWIS IS VESPERS SPEAKER; MUSIC IS OFFERED

Old Tiger Grad Says "Liberty
Doesn't Mean License"

VIOLINIST HEARD

An excellent talk was given at Vespers Sunday evening by Rev. John Lewis of the class of '08, who now lives in Whitmire.

His text was taken from the first chapter of Daniel, relating to "children in whom there was no blemish".

Mr. Lewis followed this thought with forceful comments and illustrations. He stated that "liberty doesn't mean license", and just because we grow up and are forced on our own we shouldn't take advantage of our freedom, but should try to sift the bad and be true to our best religion.

During the program two special violin selections were given by Mrs. Peele, accompanied by Miss Margurite Crawford. At the close Mr. Holtzendorff announced the coming of the Georgia Tech singers here next Saturday.

COLLEGIATE PRESS

MARYVILLE

And here is one that might be termed another "Strange as it may seem"; The wrestling coach at Maryville College is named Bob Thrower. That's quite an appropriate name for a wrestling coach.

WESTERN RESERVE

Two brothers, aged 4 and 24 respectively, both attend Western Reserve University. The older boy brings his brother to school with him so that he can attend the University's nursery school.

—The Reflector.

...that Doctor Zilch Manning finds it very difficult to decide whether the class topic should be "wool and silk" or "silk and wool".

...that Slat's Hearon packed a snappy salute when the "lung-busters" played the Star Spangled Banner for retreat Friday.

...that Frank Barron's Suzan slipped up and disclosed the fact that her pet name for him is "love-dovey", and that Oscar thinks that is just too ducky-wucky.

...that Little Zilch Huckabee is fast developing into a veritable collegiate fashion setter.

...that Count Moise journeyed to Spartanburg last weekend to meet "her" family. Maybe it's love, but Oscar thinks it's the new Chevrolet.

...that Spring Inspection, when the army begins to honey-funk the cadet corps, is just around the corner.

...that J. U. Bell, Count Moise, F. Schirmer, Jesse James, and Bob Jenkins will probably invade Converse this weekend without the aid of Chester Cobb since that beautiful Cobb-Vandiver romance has terminated.

...that the grand march leaders didn't know whether they were coming or going at the TAPS Ball.

...that Bert Lown is not nine to one better than the Jungaleers, nor even two to one, monetarily speaking.

...that Oscar would like to meet the "browned-eyed baby" who roamed the campus with Did Lowry last weekend.

...that Archie Watson was all gripped because "the one-and-only" left him in the lurch Saturday morning.

...that Lucius Harvin tried out a brand new heart-throb last weekend and found her very satisfactory indeed.

...that he would like to know just why Bill Harra and P. Sloan of Pendleton didn't come back after intermission Friday night.

...that if those four Romeos, All, Schachte, Bitch, and Yarborough should fail to have their Juliets over for even one single dance, it would be just too bad.

...that he wonders when Al Thomas' Clemigine is going to favor this institution with her presence again.

...that the TAPS Staff boasts that this year's dance was attended by the most beautiful girls ever assembled on any dance floor in South Carolina.

...that although Marchant Cottingham has attended most of the dances here he escorted his date the other night to the wrong dressing room.

...that if any of youse kadets want to know when blind dates are Blind Dates just ask Henry (I'm a Blue Key Pledge) Woodward.

TWO CLEMSON JUNIORS ATTEND INTER-RACIAL CONFERENCE, ATLANTA

McConnell and McGee Spend
Three Days at Negro-
White Gathering

SENT BY Y. M. C. A.

W. B. McConnell, president of the YMCA for the session of 1935, and K. W. McGee, president of the Junior Council, were present at the YMCA and YWCA Inter-racial Conference in Atlanta, Georgia April 13, 14, and 15. This conference was sponsored by the Atlanta Intercollegiate Council.

Fifteen Southern colleges were represented by 60 delegates. Of the colleges represented eight were white and seven were negro institutions.

During the entire conference of three days, all thoughts were directed toward the status of the negroes and whites in the country. The attitude of the negro students toward the white students and of the whites toward the negroes were discussed.

The speakers at the conference included Dr. Charles Johnson of Fisk University of Nashville, Tenn., Dr. Roper, Psychologist and Economist of Atlanta, Ga., and Mr. Claud Nelson, Field Secretary of the YMCA of the Southern Region.

Speaking of the conference as a whole, many enlightened thoughts and attitudes were developed between representatives of the two races.

The local YMCA is indeed fortunate in having sent delegates to this conference.

TIGER BROTHERHOOD PLEDGES ARE GIVEN FORMAL INITIATION

Ten Cubs Undergo Third
Degree of Bengal Honor
Organization

NEXT MEETING, 23RD

The Tiger Brotherhood, local honorary fraternity, held a formal meeting Monday night, for the purpose of conferring the third and final degree of initiation upon the 10 pledges.

This was carried out according to schedule; concluding this a short business session was held. Plans for improvement and matters of importance were discussed and the meeting was adjourned.

The next meeting will be a social one with speaker and refreshments; this is to be held Monday night, April 23.

ALUMNI NEWS

F. B. Farr of the class of '30 Arts and Science, is making a success of teaching English and Public Speaking in Schreiner Institute, a junior college in Kerrville, Texas.

His boy orator, girl speaker, and girls' debating team won three first places in a district contest with five junior colleges.

Farr is the only man who ever won the South Carolina Intercollegiate Oratorical Contest twice.

...that when better gas-tanks are milked Lucy Cobb will milk them.

...that one cute little blonde at the Saturday dance couldn't understand why Charlie Moss was still wearing the false face he had on at TAPS.

When one hour's Math.
seems like three...

CHECK UP ON

VITALITY

WHEN you miss the gist of lectures, and can't seem to concentrate; when even campus life seems blue—look to your health!

Your sluggishness may be due to common constipation—a condition which frequently causes loss of appetite and energy, headaches, sleeplessness. This ailment can usually be corrected by a delicious ready-to-eat cereal.

Tests show Kellogg's ALL-BRAN provides "bulk," vitamin B and iron. Two tablespoonfuls daily will help promote regular habits. Ask that ALL-BRAN be served at your fraternity house, eating club or campus restaurant.

LONG ISLAND

Rugby, the British form of football, has been officially recognized as a varsity sport at Long Island University, and a team will be organized this spring. The team will be coached by one of the professors who played the game as a Rhodes scholar at Oxford.—The Reflector.

OGLETHORPE

Two students of the radio department are trying to develop a new five meter set that will be practical. At present, the main difficulty is that only short distances can be received, but the chief advantage is that the set is not affected by static.

EXCHANGE

New York—Students who work their way through college by waiting on table or sweeping dormitories stand no better chance to succeed than young men who are coddled, according to the Rev. Joseph C. Fleming.

GEORGIA

Women students of the University of Georgia are requesting that the University have a free bus service between the three campuses, because it is very unlady-like to have to bum rides to get to classes on time, and the regular bus schedule is inconvenient and too expensive.

PRINCETON

Princeton's annual freshman questionnaire shows that out of 298 men, 176 came to Princeton because of its name and reputation, and 70 came for contacts. Some came because it was near home, and some came to loaf four years. Phi Beta Kappa keys were preferred to varsity letters.

CLEMSON RACQUETEERS VOLLEY TO VICTORY

SPORTS

LOCAL ASH-WIELDERS PLAY Y. M. C. A. BALL

CLEMSON'S BATON LUGGERS

The prediction appearing in this column last week to the effect that P. C.'s relay team would be well worth watching proved to be correct but the Tiger baton luggers were not mentioned as having a chance of beating the famous Blue Hose quartet.

In fact, little thought was given to a possible Clemson victory in this race, because our relay team's victories have been few and far between as compared with P. C.'s enviable six-year record.

But when Lynn, Tiger anchor man, breasted the tape first in this event, we saw a Blue Hose relay aggregation taste defeat in a dual meet for the first time in almost six years.

P. C. IS GOOD

It goes without saying that the P. C. quartet is good, plenty good, but they met four Bengals who proved to be just a bit better.

Lynn, Winn, Roberts, and Robinson deserve a big hand for their successful efforts in winning this event, and Lynn especially is to be commended for the sheer grit and courage shown by him in the last few yards of the final lap. Goat proved beyond a doubt that he not only has the endurance and ability of a true champion, but the heart and courage of one as well.

LYNN BETTERS OWN MARK

If Lynn's conqueror of recent weeks could have seen him reel off the hundred yards last Saturday in 9.6 seconds, he probably wouldn't feel so sure of being faster than the Tiger sprinter.

Goat equaled Walker's records in both the 100 and 220 yard dashes here against P. C. Saturday, and he's getting in shape to set a new Southern conference record in the dashes when the S. C. meet rolls around in a few weeks.

STATE CHAMP PROSPECTS

The sledding should be rather easy for Coach Howard's men for the remainder of the track season, and the Tigers should finish the season with a state championship bunting tucked safely away in Tiger Town.

It's a little too early to predict a victory for the Bengals in the State meet, but after the engagement with Carolina Saturday we'll be able to tell just how much power the Tigers will be in the State encounter.

BEAT CAROLINA

We should beat Carolina, but will we do it??? We haven't defeated a Gamecock team but once since the Tiger baseball team licked a Bird nine for the state championship two years ago.

To the boxers goes the credit for the one exception. But I believe the Tigers will break this monotony of defeat at the hands of the Capital City lads when they meet the Chickens at Clemson this weekend; and if they do we should be a cinch for the state track championship.

ROBBIE'S TOUGH LUCK

Judging from the bad breaks Robbie Robinson has gotten in the last two track meets, he must not be living right or not paying the preacher.

In the Georgia Tech meet, he beat his opponent to the tape in the 440 yard run and fell just as he reached it, to be counted second instead of the winner. And in the P. C. meet, he got off to a flying start and was leading the field when he stumbled and got another terrific fall and was counted out of the race.

ON THE DIAMOND

Although the Tigers are not winning all their ball games they're playing a much improved brand of baseball and if they keep improving they're sure to be in the running for the state title.

We can't expect a team of youngsters, playing their first year of varsity baseball, to perform as well as a group of veterans, but as long as they give their best and look like a ball club, we're behind them.

MOONLIGHT REVIEW

(Continued from page one)

The reviewing officer for this unique ceremony will be Miss Julia Elizabeth McLaurin, who was chosen as Honorary Colonel of the Cadet Corps at the recent Military Ball. The new regimental commander will be dressed in suitable uniform for the occasion.

DANCE IN FIELDHOUSE

Immediately following the review there will be a formal dance in the fieldhouse, with music furnished by Tigertown's inimitable dance organization, the Jungaleers.

At this social function the Honorary Colonel will be in a receiving line to meet members of the faculty and honor guests; here Miss McLaurin will also be presented to the commissioned staff officers and company commanders.

A huge crowd from Greenville, Anderson, Spartanburg, and other nearby cities is expected for this unusual event.

SUMMER SCHOOL

(Continued from page one)

Mathematics.

It is possible that courses in Agriculture and Engineering may be offered, if there is sufficient demand. In order that it may be known what courses students desire, the following form should be filled out and returned to Prof. W. H. Washington, Dean of Summer School, at the Registrar's Office before Saturday, April 21.

Name _____

Subjects desired:

1. _____
2. _____
3. _____

Have you definitely decided to attend summer school? _____

BLUE KEY - ROTARY

(Continued from page one)

minster body introduced Dr. and Mrs. E. W. Sikes, Dr. and Mrs. D. W. Daniel, and Colonel and Mrs. R. John West as prominent figures on the Clemson campus.

Following this, Mr. McClure introduced Lawrence Self of Westminster who delivered the speech of welcome in behalf of his club, which acted as host for the occasion.

Following a delightful repast, the meeting was turned over to G. W. Robinson, president of Blue Key, who gave a short talk on the value of the honor fraternity, and the part which it is playing in college life at Clemson.

Robinson then introduced Cadet W. C. Chipley, who talked briefly on the connection between Oconee County and the founding of Clemson.

After this, Cadets R. B. Shores and W. B. Burton gave a short and interesting talk and demonstration on the photo electric cell.

Bob Taylor, of Greenville, then delivered a speech on the meaning of Rotary and its relation to the youth of today.

During the course of the delicious meal, which consisted of pineapple cocktail, oyster soup, fruit salad, veal cutlets and potatoes, coffee, and ice cream and cake, pictorial bulletins of Clemson and miniature souvenirs were distributed among the guests.

HUGE TAPS BALL

(Continued from page 1)

glamorous torch singer; Wayne Greeg, young crooner; and Sylvester, snappy tap dancer. There were six no-breaks during the evening.

GRAND MARCH COLORFUL

The most colorful spot of the affair was the grand march in which the selection of the most attractive costumes took place; Miss Ruthie Douglas of Savannah was chosen by the judges as most charmingly depicting the lady of ancient Greece, while George Way, in the garb of a Macedonian warrior, was selected from the vast array of queerly bedecked males.

DECORATIONS EXCELLENT

The work of the decorating committee and the architectural department was the most original and complete set ever to adorn the Field House.

The entire floor was surrounded by a vast colonade of Doric columns and illuminated statuary. A gigantic figure of the goddess, Athena, looked down upon the spectacle from a starry background of night at the south end of the floor, while a distant city was seen fading away to the north.

TENNIS TEAM

(Continued from page one)

land and Gregg to the tune of 6-4, 6-3.

SUCCESSFUL SO FAR

So far this season, the tennis team has been most successful, having won two matches from each P. C., Erskine, and the Anderson Country Club, by comfortable margins.

Friday the local netters journey to Atlanta where they will engage Tech; Furman will be taken on Saturday afternoon here at Clemson.

Patronize Our Advertisers

The orchestra held sway in a stately Greek temple in the center of the floor; and the chaperones and guests witnessed the dance from a picturesque forum at the east.

SATURDAY NIGHT DANCE

The informal dance Saturday night was a competent climax for the wonderful series. The Jungaleers were in great form during the dance which was featured by six no-breaks and a team of Tiger vocalists.

SCIENTISTS MEET

(Continued from page one)

Dean of Chemistry and Geology at Clemson, will present "Geological Problems Involved in Building a Ship Canal Across the State of Florida";

Dr. Armstrong and Mr. B. Bennett, of the Clemson Botany Division, will give an illustrated lecture on "Some Factors Influencing the Variability in Length of Cotton Fibers."

The afternoon session will open at 2 o'clock with two illustrated lectures on medical subjects. Prof. Kershaw Walsh, University of South Carolina, will give a treatise on "The Study of Artificial Amnesia".

During the course of this session Dr. Franklin Sherman, Clemson entomologist, will give a paper on "Massed Colonies of the Lady-Beetle," and Prof. Cartwright will present "The Scarab Beetles of South Carolina."

Dr. Brackett of Clemson will open the session of the South Carolina Section in the American Chemical Society at 2 P.M. with a talk on the life work of L. Lawrence Smith. Other Clemson men giving lectures are: Dr. W. R. Paden, of the Agronomy Department and Dr. Peter Carodemos of the Chemistry School.

An invitation is extended to those cadets who would be interested in any of the lectures that are to be given.

TAPS LETTER

(Continued from page one)

its aid with the decorations, the most successful Clemson has ever had.

The Textile department for its services in dyeing the costumes and decorations.

To Capt. Harcombe for permitting the visitors to dine in the mess hall and for placing the college's mechanical equipment at our disposal.

To Mrs. McCaw and Mrs. Mann. of Savannah for acting as hostesses to young ladies staying at the Trustee House and at the McHugh

House.

To the cadets who served on the decoration committee and who worked so long and so faithfully.

To all the others who aided us in any way in making TAPS the overwhelming success it was.

(Signed) The TAPS Staff.
